

HP 300s+ Scientific Calculator

Arm yourself with the sophisticated HP 300s+ Scientific Calculator with advanced functions to tackle your most challenging Math and Science courses.

Sophisticated design

- Work in low-light conditions with solar power plus battery back-up.
- Help protect your HP 300s+ from bumps and drops with the durable slide-on cover.
- Easily view equations on the sleek 60.5 mm x 24.3 mm LCD display.

User-friendly architecture

- See expressions as you would on paper. View your entry and the result at the same time with a student-friendly, 4-line, 15-character textbook display.
- Improve accuracy and efficiency – use navigation keys to scroll through equations and edit recent entries.
- Display results in your choice of engineering, scientific or standard notation.
- Store and recall important results and data with nine easy-to-use memory keys.

Ideal for Math and Science students

- Solve math and science problems efficiently using 315 built-in functions.
- Use a full library of algebraic, logarithmic, trigonometric and hyperbolic functions as well as their inverses.
- Calculate common probability functions including permutations, combinations and factorials.
- Approved for use on most college placement exams.

Advanced features

- Streamline prime factorization, whole number division, fraction reduction and GCF/LCM calculations with built-in tools.
- Perform decimal and hexadecimal conversions. Convert from decimals to fractions. Make metric and imperial unit conversions.
- Easily enter one-and-two-variable statistical data with table-based editor. Calculate mean, standard deviation, variance, regression analysis and more.

HP 300s+ Scientific Calculator

Product number	HP-300s+ #INT BX	
Processor and display		
Display	Viewable display area (W × H):	2.38 × 0.96 in (6.05 × 2.43 cm)
	Number of display lines:	4, linear display; 31 × 96 dots × 15 digits
Display type	4-line LCD, textbook format display	
Product		
Product color	Black	
Enclosure material	Plastic	
System logic and keyboard		
Entry-system logic	Algebraic	
Menu-driven user interface	No	
Keyboard	Alphanumeric	
Functions		
Functions	Built-in:	315
	Advanced Mathematical:	Metric Conversions, simultaneous equations, simplification, integer division, GCD/ LCM, prime factorization
	Probability and Statistics:	Combination, permutation, table -based statistics data editor with 2-variable statistics, random numbers, summary statistics and regression analysis
Added features	Scrollable history, Editable history, clear history	
Memory		
Memory registers	Store up to 9	
Power and battery		
Power supply	Battery	LR44 × 1
	Solar cell	Built into front of the calculator
Auto power off	5 minutes; power off memory protection	
Applications		
Best used for	General mathematics, Arithmetic, Algebra, Trigonometry, Statistics probability	
Dimensions and weight		
Weight	148.5 g (with cover); 112 g (without cover)	
Dimensions (W x D x H)	8.42 × 1.95 × 15.55 cm (with cover); 7.90 × 1.50 × 15.30 cm (without cover)	
What's included		
What's in the box	Calculator, slide-on protective cover, battery, user guide	

HP 300s+ Scientific Calculator

Streamline prime factorization, whole number division and fraction reduction

Perform metric and imperial unit conversions

Easily enter one and two-variable data with table-based editor and calculate summary statistics

Enter expressions as you would on paper with familiar textbook format display. Easily view equations on the sleek LCD display.

Use navigation keys to scroll through equations and edit recent entries
